

Become a TruthTrail Partner

A fundraising partnership for Christian homeschool associations and independent homeschool families alike, featuring the H.I.S. Mysteries book series.

Whether you're a Christian homeschool family of five, or an association of five hundred, TruthTrail can help fund your journey.

Now Featuring:

The Homeschool Investigative Society, otherwise known as H.I.S., just found their first real case.

When seven friends discover a coded note hidden behind a museum display, they think they've stumbled onto a fun puzzle. What they find is a secret buried for decades, one that someone doesn't want uncovered.

As the clues lead deeper into the museum's Egyptian exhibit, from cracked canopic jars to a hidden panel behind an ancient mural, the young detectives realize that, while they're unraveling a mystery, they're also being secretly watched from the shadows.

With courage, faith, and more candy than any official investigation strictly requires, H.I.S. sets out to uncover the truth before it's too late.
